

LAURA KINGSLEY

Strategic Quality | Seamless Projects | Smarter Systems

Who We Are

At Laura Kingsley, we help businesses unlock streamlined, more efficient operations through quality management, project execution and UX/UI design. We bring structure and impact to every stage of your operations.

What We Do

Quality Consulting

- Audits and quality system assessments
- SOP & CAPA development
- Supplier & Vendor quality oversight

Project & Program Management

- Agile and traditional methodologies
- Cross-functional team coordination
- Process Improvement

UX/UI Design

- Wireframes, flows & interface design
- User-centered design
- User Research

Our Impact

At Laura Kingsley, we don't just deliver solutions, we drive lasting change. Our work has helped clients:

- Launch new products **faster and with fewer defects**
- Improve stakeholder alignment and decision-making with clear, data-backed reporting
- Enhance customer satisfaction through thoughtful, user-centered design solutions
- Strengthen compliance and audit readiness across regulated industries
